4. Notes Regarding Quarterly Consolidated Financial Statements
(Notes regarding assumption of a going concern)
Not applicable.
(Notes regarding the significant changes in the amount of shareholders' equity) Not applicable.
(Changes in accounting policies)
Application of accounting standard for revenue recognition, etc.
The Company has applied the "Accounting Standard for Revenue Recognition" (ASBJ Statement No. 29, March 31, 2020) and relevant ASBJ regulations effective from the beginning of the first quarter of the current consolidated fiscal year, and revenue is recognized at the time the control over the goods or services is transferred to the customer at the amount of the consideration for the performance of the obligation to deliver the relevant goods or services.
The Kewpie Group has applied the alternative accounting treatment stipulated in Paragraph 98 of the "Implementation Guidance on Accounting Standard for Revenue Recognition" for domestic sales of merchandise or products, and will recognize revenue at the time of shipment in the cases that the control over merchandise or products should be transferred to the customer within a normal delivery period after shipment. With respect to the application of the Accounting Standard for Revenue Recognition and relevant ASBJ regulations, the Company follows the transitional treatment rule provided for in the proviso to Paragraph 84 of the Accounting Standard for Revenue Recognition. Such that (i) the cumulative effect of the retrospective application (assuming the new accounting policy had been applied to periods prior to the beginning of the first quarter of the current consolidated fiscal year) was added to or subtracted from the opening balance of earned surplus of the first quarter of the current consolidated fiscal year, and (ii) the new accounting policy was applied from the beginning of the first quarter of the current consolidated fiscal year with the adjusted opening balance of earned surplus.
As a result, the effect of this application on net sales for the six months ended May 31, 2022 was immaterial, and there was minimal impact on the balance of earned surplus at the beginning of the current fiscal year.
Due to the application of the Accounting Standard for Revenue Recognition and relevant ASBJ regulations, "Reserves for sales rebates" recorded in "reserve" items under "current liabilities" of the consolidated balance sheet at the end of the previous fiscal year has been restated in "Other" items as a refund obligation under "current liabilities" from the end of the first quarter of the current consolidated fiscal year.
The information on disaggregation of revenue from contracts with customers during the six months ended May 31, 2021 has not been disclosed according to the transitional treatment provided for in Paragraph 28-15 of the "Accounting Standard for Quarterly Financial Reporting" (ASBJ Statement No. 12, March 31, 2020).

Application of accounting standard for fair value measurement, etc.
The Company has applied the "Accounting Standard for Fair Value Measurement" (ASBJ Statement No. 30, July 4, 2019) and relevant ASBJ regulations from the beginning of the first quarter of the current consolidated fiscal year, and it has applied the new accounting policy provided for by the Accounting Standard for Fair Value Measurement and relevant ASBJ regulations prospectively according to the transitional treatment provided for in Paragraph 19 of the Accounting Standard for Fair Value Measurement, and Paragraph 44-2 of the "Accounting Standard for Financial Instruments" (ASBJ Statement No. 10, July 4, 2019). There is no impact of this application on the quarterly consolidated financial statements.

(Business combination)
Important revision of initial allocation of acquisition costs in comparative information
For the business combination of K.R.S. Corporation, the Company's consolidated subsidiary (currently an affiliated company accounted for by the equity method), and KIAT ANANDA Group (PT Kiat Ananda Cold Storage, PT Ananda Solusindo, PT Manggala Kiat Ananda and PT Trans Kontainer Solusindo) on November 2 , 2020, a provisional accounting treatment had been performed in the fiscal year before last and it was finalized in the previous fiscal year.
Following the finalization of the provisional accounting treatment, comparative information included in the consolidated financial statements for the previous fiscal year has reflected the important revision of initial allocation of acquisition costs.
As a result, the effect of this business combination on the quarterly consolidated statements of income for the six months ended May 31, 2021 was immaterial.
